Their Stories.... Our Quest!

Join us for an unforgettable evening of music and dancing with American Idol's *Justin Guarini* as Master of Ceremonies, award winning cinematographer, *Jimmy Garcia*, as keynote speaker and *The Jones Revival* as our rockin' dance band. A spectacular dinner will be followed by a presentation of our KD community and a stunning array of live auction items as we raise funds for an incredible cause: an endowed KD research chair at UCSD and a KD diagnostic test!
